COMPANY PROFILE · 2026

Prove what you can do in the AI economy.

TalentLabs is a career platform for tech talent. People build a profile, see their skill gaps and get matched to the right roles. Employers use it to find job-ready candidates.

10k+	100+	5k+	92%
Jobseekers	Hiring partners	Jobs matched	Placement rate

What we do

- AI career profile: scoring, skills map, role fit
- Employer matching and a job board
- Upskill: courses, certificates, mentors, demo days
- Application prep, portfolio and career events

Who we work with

Hiring partners include Schneider Electric, Shopee and Standard Chartered. Community partner of KrackedDevs for Hacktoberfest KL 2026.
