

KRACKEDDEVS · FUNDING & PARTNERSHIP BRIEF

Take KD Labs regional

KrackedDevs is Malaysia's builder ecosystem: a community, a school and a product lab, run by builders. We want to run KD Labs and the AI Builder School in three more ASEAN cities.

What we are looking for

Funding	US$300k to run KD Labs cohorts outside Malaysia
Pilot partners	Corporates and government agencies to post real bounties for builders
Market entry	Singapore, Jakarta (Indonesia), Ho Chi Minh City (Vietnam)
Cloud credits	AI and cloud credits for 3,000+ builders
Mentors	Founders who have scaled across ASEAN

Ask: US$300k plus pilot partners in Singapore, Indonesia and Vietnam, by Q1 2027.

Sample brief for the Nexa demo. Builder numbers from krackeddevs.com (read 31 Oct 2026). The ask and plans are illustrative.
